

KROUT AND SCHNEIDER, INC. SERVICE PROFILE

LITIGATION SUPPORT

Complex litigation requires an investigative team to support attorneys during the course of a lawsuit. Whether the matter involves product liability, environmental, real estate, wrongful termination or other types of complex litigation, Krout and Schneider has provided quality investigative and litigation support to law firms nationwide for more than seventy-five years. We utilize our experience and resources to provide clients with in-depth and cost effective investigative services. Krout and Schneider specializes in the following areas:

- Locating Witnesses and Businesses
- Identifying and Verifying Assets
- Identifying and Verifying Litigants' Backgrounds
- Conducting Pre-Deposition Interviewing
- Obtaining Witness Statements
- Uncovering and Verifying Litigant Lifestyles
- Service of Process
- Providing Litigation Support up to Trial
- Jury Surveys

Whether obtaining crucial evidence or locating a witness at time of trial, Krout and Schneider has provided quality litigation support to law firms all over the country and will engineer an investigation in a cost effective manner.
